

WANTED! 2023/2024

Tagged Western Monarchs

A circular tag (light blue) is used by the Southwest Monarch Study, coordinated by Gail Morris in AZ and CA. Email: tag@swtag.org

Washington State University uses yellow and pink tags to track monarchs in the Pacific Northwest. Email: monarch@wsu.edu

Green tags with a defunct phone number are from a monarch study in the Bay Area through UC Davis. Email Dr. Emily Erickson: erickson@ucdavis.edu

Fluorescent orange circular tags (C0149-C1000 & B0676-B1000) tags are from MonarchQuestAZ, using a telephone number. The monarchs are exclusively tagged in Southeast AZ. Email: sw.dplex157@yahoo.com
